

Community Warden

Progress Report for All Open Spaces – 22/01/2024

CANVEY LAKE

- Issues with night fishing and anti-social behaviour call 101 and the home office code 116/11 for reporting 'Theft of Fishing' to help with the issues at the weekends.
- This issue is still ongoing. Public Rights of Way Enforcement team attempted to remove the bollard; however, the resident parked his vehicle over the original spot preventing the work. ECC left the site and will now take legal action if they cannot complete the work. Still no update.
- Jetty – work has been started.
- Meeting with RSPB did not go ahead.
- Fly tipping has increased with large amounts of litter left in or next to the bins, with household waste and carry bags full of dog foul.

PLAYGROUND

- Side panel has been snapped in half; now removed. Quotes have been obtained; however, this is not a H&S concern and will await ROSPA inspection to seek advice.

BAND STAND

- Nothing to report.

WILDFLOWER MEADOW

- Nothing to report.

MEMORIAL GARDENS

- Small hut placed on grass and CPBC sign. Sign will be removed as quite an invasive size. It is unsure who provided permission for the hut, however, it is connected to the EA works and not a permanent structure.
- Fencing completed.

TIDAL POOL

- Nothing to report.
