

Canvey Island Town Council - Risk Assessment

Dealing with COVID-19 in the workplace.

COVID-19 is an illness that can affect your lungs and airways and is caused by a virus called Coronavirus. The symptoms can be mild, moderate, severe, or fatal. Following a full council meeting on the 29th March 2021 the office has been reviewed and will be opening from the 17th May 2021 whilst adhering to government guidance and social distancing rules. Any staff required to visit open spaces are aware of the procedure for hand sanitising and protective wear.

Conclusion

The office will be open from the 17th May 2021 with social distancing still in place. Staff will be working on a rota system and only working with the same colleagues. All staff will be requested to take the Lateral Flow tests which are freely available from the library and a record of these tests will be kept. During periods of annual leave lone working will be unavoidable but to ensure limited contact, staff will only work in the office during the opening hours and work from home for the hours that the office is closed. Due to the size of the councils meeting space all public meetings will be on hold after the 6th May 2021 until it is safe to convene face to face meetings.
