Canvey Island - Southern Shoreline Revetment Project Newsletter

Issue 15: 15 March 2024

Welcome!

Welcome to the fifteenth edition of the newsletter for the Canvey Island Southern Shoreline Revetment Project.

This edition includes a look at the progress we have made on site, an update on the B17 memorial and an update on public access. On pages 3 and 4 you will find the latest working times for the project.

If you would like copies of future newsletter editions, please email: TEAM2100canveyrevetment@jacobs.com

If you have a question...

We hold a monthly community drop-in at Sue's Café on the first Wednesday of every month, 11am-12noon, for any questions you have.

Our webpage also has the latest project information:
<https://consult.environment-agency.gov.uk/east-anglia-c-e/canvey-southern-shoreline-project>.

Progress from site

Over the past month we have:

- Used hydro demolition to remove a section of the existing river wall at Fisherman's Corner in preparation for the riverside access ramp.
- Installed tarmac paths and landscaping on the landside embankment of the tidal defence.
- Continued with the construction of four sets of precast concrete steps between Labworth Café and Fisherman's Corner.
- Dismantled the jetty at Chapman Sands.
- Reopened the landside footpaths to public access at Thorney Bay and Leigh Beck.

Footpath at Leigh Beck

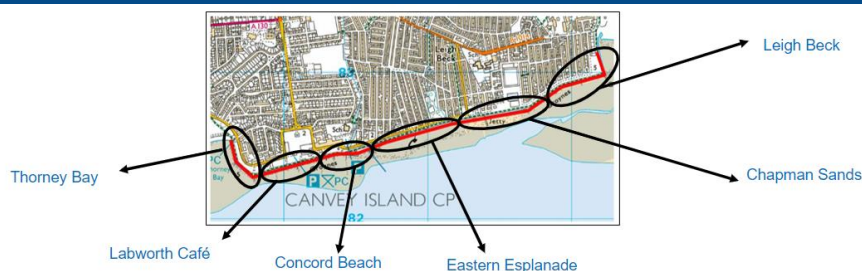

Footpath at Thorney Bay

In the coming months, we will:

- Continue with the placement of Open Stone Asphalt (OSA) and Lean Sand Asphalt (LSA) between Labworth Café / Fisherman's Corner.
- Commence the placing of steel reinforcement to the Fisherman's Corner Access Ramp.
- Continue with the placement of the landside temporary upper haul road through the Chapman Sands area into Eastern Esplanade.
- Commence construction of access ramp at Chapman Sands.

Keep up-to-date with the latest project timings

Thorney Bay	Leigh Beck	Labworth Café	Chapman Sands	Concord Beach	Eastern Esplanade
March 2023 – March 2024	April 2023 – March 2024	September 2023 – May 2024	November 2023 – November 2024	September 2024 – May 2025	March 2024 – June 2025
*Fisherman's Corner open July 2024					

The latest information on timings can be seen in the updated diagram on the left. On page 2, you will find further details around the recent opening of the public footpaths at The Point, Leigh Beck and at Thorney Bay.

A detailed update on the phases and satellite compounds is now available on the project webpage:

<https://consult.environment-agency.gov.uk/east-anglia-c-e/canvey-southern-shoreline-project/>

Update: public access

We are pleased to announce there is now public access to the landside footpath at The Point, Leigh Beck.

As can be seen in the photograph in the progress from site section on page 1, the landside footpath at Thorney Bay is also now open following the completion of works.

In areas where we have begun restoring the embankment, chestnut fencing and a floral seed mix containing low-growing wildflowers and grasses have been used.

For the Easter Bank Holiday only (29 March-1st April), the footpath at Fantasy Island will be open.

There will be a staggered opening of other areas in the coming weeks.

The footpath at The Point, Leigh Beck

The footpath at Fantasy Island is currently closed and will open for the Easter weekend

B17 aircraft collision information board

We are pleased to announce that the majority of the benches and the B17 aircraft collision information board at The Point have now been reinstated.

TEAM2100 has replaced the B17 aircraft collision information board with a new one. This follows its nine years of service.

Project safety and security

If you see or hear anything suspicious in or around our compounds, please do not hesitate to contact the police and the site team emergency Balfour Beatty 24 hr helpline number: 0800 121 4444 or help@balfourbeatty.com. If you wish to do this anonymously, please feel free to contact CrimeStoppers 0800 555 111. Damage to site equipment or thefts can cause delays to the completion of the programme.

Fire alert praise for team

Two members of our project team have been praised for alerting the emergency services to a fire at a block of flats near Western Esplanade.

The team members noticed smoke coming from the flats, which are located opposite the project's compound one, and rang the fire brigade straight away. This enabled the fire service to make sure all residents got out safely.

Have you signed up for flood warnings?

These warn for the risk of flooding from rivers and sea, giving you time to prepare. You'll be alerted by phone, email or text when flooding is expected.

There are three levels of flood warning:

Prepare for flooding

Flooding of homes/businesses is possible

Deep fast flowing water
Risk to life

Sign up online @ www.gov.uk/flood
Or by phoning **Floodline**: 0345 988 1188
Or telephone: 0345 602 6340

Planned working hours

Please find below the planned working hours, locations and the compounds used. This will also involve operations on the landward side of the defence to support movement of materials. **Key: NCH** - Normal Construction Hours (08:00 to 18:00), **NWD** - Non Working Day (Weekends and Bank Holidays), **SC1 - Satellite Compound 1**, Fisherman's Corner, Western Esplanade, SS8 0AY, **Main Compound** - Adjacent 287 Eastern Esplanade, SS8 7PQ, **SC4 - Satellite Compound 4**, B17 Memorial Ground, Beveland Road, SS8 7QT.
