

CANVEY ISLAND TOWN COUNCIL

16 YEARS OF WORKING FOR THE COMMUNITY

Following a petition presented to Castle Point Borough Council in 2005 from Canvey Island residents requesting the constitution of their own Parish Council. The Town Council was subsequently formed in 2006 and came into effect on the 1st April 2007. Since it was established the Town Council has achieved many things to enhance and maintain the local community, including looking after its' open spaces, annual events and community engagement.

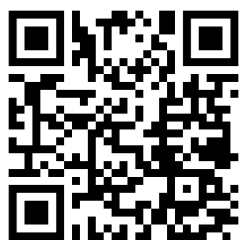

In 2021 the Town Council were awarded Quality Gold status, which recognises that the council achieves good practice in governance, community engagement and council improvement. Moreover, Canvey Island Town Council goes above and beyond their legal obligations, leading their communities and continuously seeking opportunities to improve and develop even further.

The Town Council is funded by a precept collected by Castle Point Borough Council through residents' council tax. The precept paid by residents equates to £23.76 per annum for a band d property. This equates to 46p a week.
